

AGENDA

Affordable Housing Roundtable Meeting #3

DHS
June 16, 2005 | 4:00 – 6:00 pm

The focus of this meeting is on continuing the conversations that were started during our briefings last week and moving toward ideas for developing a package.

4:00 **Agenda Review | Date Setting for Public Forum**

We will begin with a quick round of introductions for members who were not able to attend the first meeting. Bill Potapchuk will review the draft agenda. We will then set a date for a public meeting.

4:10 **Clarifications, Takeaways and Implications**

Much information was shared at our last meeting. We will start by seeing if there is a need for further clarification or explanation of any of the topics. Then we will discuss what members took away from the briefings and implications for our next steps.

4:35 **By Right, GLUP, Bonus Density, Affordable Housing and other Contributions**

As requested, staff will present data showing affordable housing and other contributions by developers. Staff will put this data in a framework for thinking about our charge.

5:10 **Developing Ideas/Building a Framework for Moving Forward**

We have two weeks until our next meeting on June 30th. We would like to use this time to develop ideas, frameworks, and/or packages that can be presented to the Roundtable on the 30th.

6:00 **Adjourn**
