Supporting
Child Care

The following family day care home providers comply with the minimum standards of Chapter 59 of the Arlington County Code ("Family Day Care Homes"). Their listing here does not constitute a recommendation. Parents are strongly encouraged to visit several providers, observe the activities, and check references before making a selection. Providers who are listed as "completed training" have attended training sessions offered by the Child Care Office on the topics of child development, health and safety, working with parents, and family day care as a small business.
