SIGNIFICANT BUDGET CHANGES

The FY 2007 adopted budget for the Sheriff's Office is \$28,402,115, which reflects a seven percent growth over the FY 2006 adopted budget. The budget reflects:

- ↑ A two percent market pay line adjustment, a 10% increase in employer health insurance costs, an increase in employer retirement contributions to maintain full funding of the retirement fund, and the impact of public safety pay enhancements approved in FY 2006. The budget also reflects a supplemental appropriation approved in FY 2006 for 1.0 FTE for the Pre-trial Program and a 0.5 FTE approved for the Alcohol Safety Action Program (ASAP).
- ↑ Non-personnel expenses increase due to electricity (\$48,587), water and sewer (\$12,610), natural gas (\$77,867), fuel (\$8,230) and County vehicle charges (\$33,101), partially offset by a decrease in telephone charges (\$42,163).
- ↑ Fee revenues increase primarily due to higher Falls Church reimbursement (\$271,877), collection of fees in the Alcohol Safety Action Program (\$64,233) Courthouse Security fees (\$60,000) and miscellaneous service charges (\$24,400).
- ↑ Grant revenues increase mainly from higher State Compensation Board reimbursement for salaries and benefits (\$168,978) and the addition of state funding for the 1.0 FTE approved in the Pre-trial Program (\$52,855).
