How T.E.A.M. Works

T.E.A.M. is operated by teens who have completed an Amusement Management training course.

Rules of the Game

- ◆ Rentals are available to Arlington residents only.
- ◆ Host is responsible for providing two non-staff adults and a suitable location.
- ◆ Host must provide an electrical outlet or generator. A gas powered generator is available for rent from T.E.A.M.
- ◆ Requirements for operation are discussed with you before the event takes place. T.E.A.M. determines the best location for the amusement. Location is determined by the desired equipment, its size, and the site.
- ◆ T.E.A.M. sets up the equipment and makes sure it is suitable for everyone's safety. At the end of an event, the equipment is taken down within 30 minutes unless other arrangements are made.
- ◆ After all the fun is done, equipment is packed and T.E.A.M. leaves customers with a lifetime of memories!
- ◆ All prices reflect up to a four-hour rental; additional time is charged at \$25 an hour.

Team Rules!

Attendant / Operator Hosts are responsible for providing two adults to operate the equipment once staff sets it up. These monitors must be present at the time of delivery to receive proper training.

If you want T.E.A.M. staff to stay for the duration of the event and monitor the equipment use, there is an additional \$15 per hour per person charge. Depending on the size of the equipment or event, some events will be required to hire a minimum of two staff. As T.E.A.M is operated by local Arlington teens, there are times when attendants may not be available.

Space for Equipment It is the customer's responsibility to measure the space; if equipment is delivered and doesn't fit, the job is canceled and the deposit is forfeited.

Rain/Weather Policy:

TEAM will not set-up inflatable equipment in rain, snow, high wind (in excess of 15 mph) or muddy conditions. In the event of highly possible bad weather, you should call our Cell Phone to cancel 3 hours prior to your event. If you choose to have us come out and we are unable to set-up due to weather conditions (wind, rain, snow, mud) you will be charged \$50.00. Once the inflatable equipment is set-up, the full amount of the rental is non-refundable or transferable even if the event is cut short due to bad weather.

Frequently Asked Questions

Do you deliver and set up?

Absolutely! T.E.A.M.'s courteous drivers will deliver and set up each piece of equipment and ensure that it is clean and in good working condition prior to the start of the event. Staff will come back to take it down after the party is over. Set up normally takes about 10-15 minutes.

What kind of power is required?

Our inflatable's plug into a standard 110 household outlet. We will supply a 100 foot cord. Nothing else can be plugged into the outlet we are utilizing. Equipment can be set up at a park or place without an electrical outlet if a generator is present and working. A gas generator can be rented from T.E.A.M. for \$60.

What type of surface can the inflatables be placed on?

The best surface is a level grassy area. However, we can set up on concrete, asphalt or bark. Please specify when ordering which surface we will be setting up on and we will make sure we utilize the proper anchors for your event.

How can I contact T.E.A.M. on the day of my event?

Easy! Just call 571-243-2119 to contact staff on duty. This phone is only used during scheduled event times.

Are you insured?

Yes. Arlington County is self-insured.

Can I have my party at a park?

Yes. Moon bounces are great for parks. We can deliver our equipment to any Arlington County Park; however, it is up to the host to secure the appropriate County reservation for the site. Call 703-228-1805 to reserve a park or County facility or email facilitiescheduling@arlingtonva.us.

How do I reserve my moon bounce?

Simple! Just dial 703-228-1805 or fill out our Reservation Form at the end of the brochure and fax to 703-228-1802. Reservations are confirmed by phone, fax or e-mail.

What if I have to cancel?

All payments are final. However, if it becomes necessary to cancel your reservation, payments are good for one year from the time of booking, if we receive your cancellation 4 days prior to your event. TEAM reserves the right to refuse to complete any event that has the potential to cause damage to its equipment or, in its opinion, may pose undue risk to others in the immediate area.
