

## **Arlington County Bicycle Advisory Committee – Virtual Meeting**

Monday, February 7, 2022, 7:00 - 9:00 PM, TEAMS platform

### **7:00 – 7:15 pm: Welcome from the Chair and Introductions**

Cynthia Palmer, BAC Chair

Introductory Question: Crashing our bikes!

Have you ever been in a bike crash? Feel free to share a grisly, uplifting, horrid, or funny detail.

Have you developed a particular crash-related expertise, e.g., keeping upright on the ice OR

hiring a bike lawyer OR making it through a certain type of injury?

### **7:15 – 7:35pm: Natural Surface Trails Planning Process**

Ryan Delaney, Principal Planner DPR

Summary: The presentation will cover DPR's proposed approach to better managing the County's natural surface trail system, including managing mountain biking, and will outline the purpose and need, progress to date, approach to engagement and data collection, and what to expect next.

### **7:35 – 7:55pm: Trail Maintenance Q&A**

Bob Upton, Park Manager PSA-1 & Trails DPR

Summary: Beginning in 2022, Bob has volunteered to attend meetings quarterly to discuss trail maintenance. There were some questions this month about snow clearing and Bob can speak about snow clearing for Arlington-owned and maintained trails like the Custis Trail.

### **7:55 – 8:15pm: Floating Bus Island Design Standards**

Paul Mounier, Associate Planner Transit/DES

Summary: Arlington County DOT has been working with a group of staff members to develop design guidelines for the construction of floating bus stops in the County. Paul will be giving a brief presentation and asking for input regarding design treatments.

### **8:15 – 8:35pm: MOT Reporting System**

Sergio Viricochea, Design Engineer TE&O/DES & Leah Gerber, Principal Planner TPCPM/DES

Summary: Arlington DOT has been working on a new reporting system to ensure that bike lanes, trails, and sidewalks remain clear or have a safe detour when next to a construction site. Sergio and Leah will be asking for input on a new Report a Problem system for MOTs.

### **8:35 – 8:55pm: Bike Element Metrics Update**

Leah Gerber, Principal Planner TPCPM/DES

Summary: The presentation will focus on reporting the 2018/2019 – 2021 Progress Targets from the MTP Bike Element followed by a Q&A.
