

## Bar Safe Guidelines

The primary officer using the Bar Safe Violation-Banning Notice will give a patron arrested or suspected of committing a yellow violation notice of the violation. Further, the primary officer will advise the patron how many offenses they have accrued and the consequences of committing further crimes in Clarendon.

### **Bar Safe Banning Appeal Process**

Any person served with a Bar Safe Notice Forbidding Trespassing has the right to an appeal hearing. The appellant must file a written request for appeal with the Arlington County Manager's Office within ten (10) days of receiving the Bar Safe Notice Forbidding Trespassing. The County Manager will designate a time and place for the hearing. Any oral testimony given at the hearing will be reported or recorded. The County Manager will make a finding based upon the hearing record and will issue a written final ruling. If the appellant fails to appear for a requested hearing, the issued Bar Safe Notice Forbidding Trespassing will remain in effect, and no further appeal will be permitted. Should the Bar Safe Notice Forbidding Trespassing be overturned on appeal, an entry will be made in the banning logbook (LERMS), and a copy of the ruling will be filed with the Arlington County Police Department Business Outreach Unit
