Welcome to the Plan Langston Boulevard Area 3 Meeting. Tonight's meeting is being recorded. The chat will open for the Q&A portion of tonight's meeting. If you prefer to ask questions in the Teams chat, you may do so, but please remember that the chat is not visible to those who have called in to the meeting, so please do not use the chat for general comments or side conversations. Please use the same respectful tone in the meeting chat that you would while speaking. The full chat transcript will be posted on the public website.

Warnick, Lesley 7:45 PM

I agree with Rebecca and also live in this area.

Libby (Guest) 7:45 PM

Agree 3 stores

Charles France 7:45 PM

We live in area 3 and are supportive of 3 stories as well.

Libby (Guest) 7:46 PM

Developers are more important than current residents

CS (Guest) 7:46 PM

I agree as well - this is a narrow single block. 5 stories wouldn't allow the step-down that's been promised.

Warnick, Lesley 7:48 PM

Also agree with CS - 5 stories does not enable a step down to our neighborhood.

Fatima (Guest) 7:52 PM

I'd like to get a copy of the deck as well.

Fatima (Guest) 7:59 PM

when are these changes expected to take place? 5 yrs? 10 yrs?

Charles France 8:03 PM

Will you be communicating which locations will be developed first? Timeline? That was a very generic answer.

Jennifer (Guest) 8:05 PM

Bravo, Ansley!

Libby (Guest) 8:05 PM

Well said Ansley

Warnick, Lesley 8:06 PM

Agree with Ansley!

Rebecca Roper (Guest) 8:06 PM

Ansley articulate are position very well.

Jennifer (Guest) 8:12 PM

Would one of the facilitators/speakers please indicate which corner of the Glebe/Langston intersection may be now under consideration for redevelopment (the one identified by the meeting participant Lauren Riley who is no longer in the meeting)? Thanks in advance.

Amy F (Guest) 8:14 PM

I believe they were referring to the Walgreens/Thirsty Bernie's lot.

Robert Love (Guest) 8:14 PM

Is an extension of Brandywine St from Glebe to Langston Blvd still being considered?

Jennifer (Guest) 8:14 PM

Thank you, Amy F.

Rebecca Roper (Guest) 8:15 PM

On the website for transparency, please share with us the list of the sections of Plan Langston BLVD for which developer or business owners have indicated to you any interest in leveraging the anticipated increased building heights or functionality as proposed in PCP? thank you

Charles France 8:30 PM

That is an extremely disappointing response by Natasha. That was a confirmation it's not just perception but reality.

Ansley Calhoun (Guest) 8:31 PM

I agree with you, Charles.

Jennifer (Guest) 8:31 PM

As a 30-year homeowner/resident of Waverly Hills, I concur with Mr. Banks regarding building height. And as a career PR professional, I also agree with the perception problem.

Jennifer (Guest) 8:31 PM

Resident perception of deaf ears becomes the County's unfortunate reality.

Libby (Guest) 8:35 PM

Old Dominion is a very narrow road currently

Jennifer (Guest) 8:38 PM

Thanks very much to the reps from the County for your time and the opportunity to ask questions.

Plan Langston Boulevard Preliminary Concept Plan Feedback Form (openforms.com)

Warnick, Lesley 8:44 PM

Will those notices be coming out via email?

Warnick, Lesley 8:45 PM

and when can we anticipate to receive the notices?

Ben L (Guest) 8:47 PM

Thank you to the staff on this plan and the engagement! We own a SFH in the edge area and have attended a drop-in at the design studio. Our feedback is that we've felt heard, the future looks bright, and we're excited for the amount of thought and effort going into this plan.
