Tour Bus Parking Location
Tour Bus Parking in Arlington, Virginia

Welcome to Arlington! Thank you for bringing your guests here to enjoy national history and local flavor just steps from the nation's capital. Following are tour bus parking guidelines and suggestions for Arlington and around the region.

**Designated Tour Bus Zones in Arlington**

- **Number of Spaces:** 12 tour bus zones with 40 parking spaces
- **Availability:** First-come, first-served basis; no reservations accepted
- **Rate:** $3 per hour per bus during the hours of meter operation; applicable overnight unless otherwise indicated
- **Payment Options:** Multispace meters accept payment by coin or credit card. Pay via cellphone with the Parkmobile app.

**Additional Options in Arlington**

- Tour buses may also park in any commercial area where there are **no lines** demarking standard car parking meter spaces and where the width accommodates the bus. Curbs where tour bus parking is not allowed (including a few blocks in Pentagon City) are signed accordingly. Curbs with metered, standard-car spaces available for buses are unlined. At these locations, drivers must pay the standard meter rate and follow the time duration regulations. Some areas are restricted for as short as 30 minutes, but many of them allow parking for as long as 10 hours. In those standard car metered areas, there’s no charge for parking overnight.

- In special cases where an organization, group or hotel seeks to guarantee specific parking meter spaces at specific times, an application for a Moving Van/Container Permit may be completed online. This form must be submitted a minimum of five business days in advance of the first parking date requested.

**Alternative Parking in Northern Virginia and Washington, D.C.**
