The following information is provided in response to a request made by Ms. Cunningham at the work session on March 5, 2026, regarding the following question:

*Please provide usage data by demographics (age, fee reductions, zip code) for Long Bridge Aquatics & Fitness Center and Lubber Run Community Center.*

\*\*\*\*\*

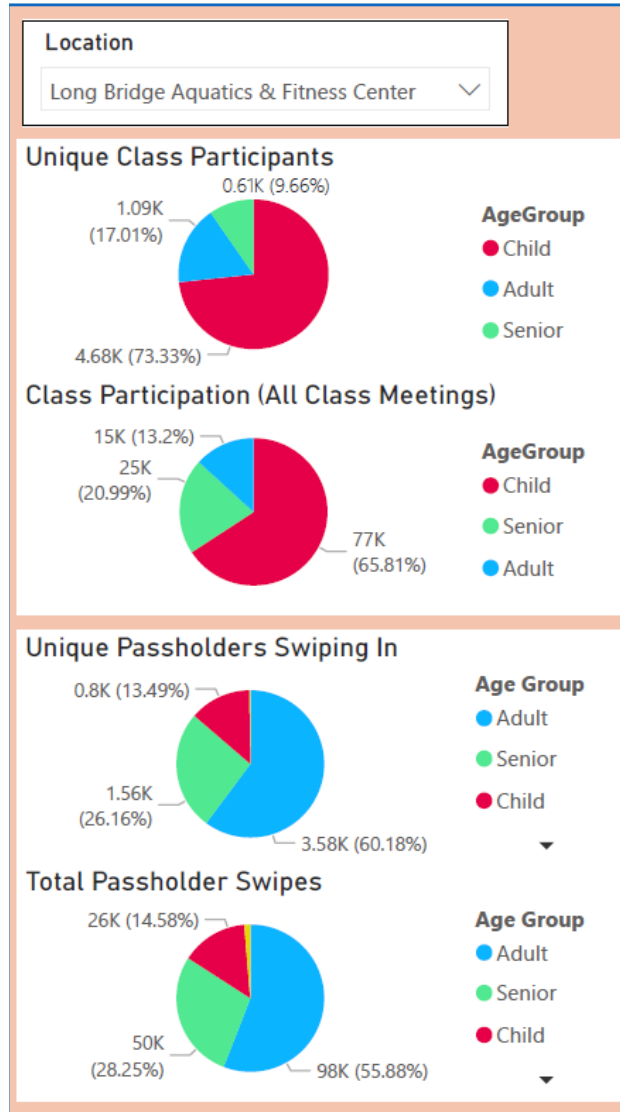

FY 2025 usage data for Long Bridge Aquatics & Fitness Center, Lubber Run Community Center, and Thomas Jefferson Community Center are detailed below. Notes about the data:

- Class participation does not include fitness drop-in programs, as those participants access facilities by swiping a pass or purchasing a daily pass and are therefore counted under pass swipes.
- Class participation reflects indoor program use only. Participation related to outdoor amenities, such as athletic fields or courts, is not included.
- Zip code data for Non-Arlington zip codes are aggregated in the pie charts. Changes throughout the course of the fiscal year may result in unique participants being counted in more than one demographic category (i.e., an adult who ages up to a senior or a participant who applies to receive a fee reduction for one offering but pays the full fee for another).
