

Crystal City/Pentagon City Development Activity

Crystal & Pentagon Cities Council (CPCCC)

December 2024

Current Development Activity

Distinct Stages of Site Plan Review

	Conceptual Site Plan Applications	Preliminary Site Plan Applications	Final Site Plan Applications
Level of Plan Development	High level drawings and vision for how a particular site could redevelop	More refined set of plans depicting detailed elements of the proposal	Complete set of civil engineering, landscape, and architecture plans meeting County's submission requirements
Review Type	Review by Staff; Report used as the basis for SPRC review if project proceeds to the Final Site Plan stage	Detailed review by staff to ensure compliance with filing requirements	Rigorous staff review related to compliance with adopted plans, policies, and practices; community engagement; Public review process (SPRC); PC and CB hearings
