 - *Sidney Reid, our 55+ Countywide Program Specialist, announced last week that the National Council on Aging (NCOA) is developing a video about the benefits of*

senior centers that will be released in September as part of National Senior Center Week.

- *Specifically, the filming would take place on Tuesday, June 20th which will coincide with the boot camp class at Lubber Run. They are looking to interview a few older adults (one or two per site) who are participating in the program and who feel comfortable speaking into a camera to say a semi-scripted line like “I discovered competition” while playing pickleball, or “at my center, I discovered balance” while doing tai chi or “I discovered my lunch buddies” while eating at 60+Cafe.*
- *NCOA’s videographer would also like to shoot a short roll of programs in process such as some of the exercise programs, pickleball, card games, etc. They would try to be as unobtrusive as possible and respect those who don’t want to be in the videos.*
- *NCOA will provide release forms on-site for participants to sign.*
