

Arlington County Transportation Commission Meeting

December 1, 2022

Portion of North Quincy Street Abandonment as a Public Street

Abandonment Application

Adjacent to Parcel A, Quincy View (RPC# 15-040-067)

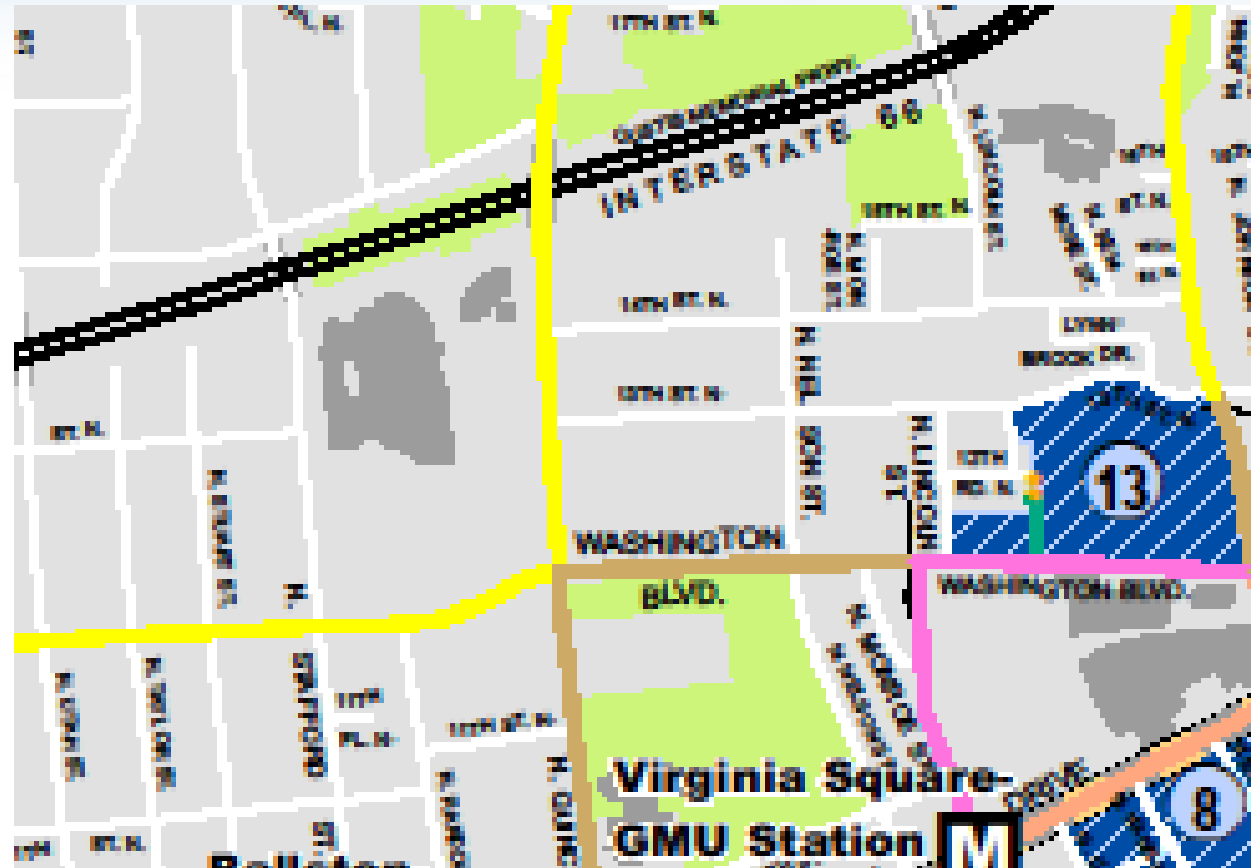

Portion of North Quincy Street Abandonment

- Request by the County Manager to abandon an original portion of North Quincy Street to conform with the Master Transportation Plan (MTP)
- This portion of original North Quincy Street ROW no longer designated as a public street on the MTP since construction of I-66 and the Quincy bridge
- Will allow installation of a 7' high fence at west side of the ART Bus parking area vs. 4' height limit adjacent to current ROW
- Current use as entryway and grass area; Grass area will remain as is
- Abandonment subject to reservation of an easement for existing public and private utilities (water, sanitary, storm and fiber)

Abandonment of a Portion of North Quincy Street

Abandonment of a Portion of North Quincy Street - MTP

- Constructed North Quincy Street – Type E, Arterial (yellow)
- Original Portion of North Quincy Street – Not shown on MTP

Recommendation to the Transportation Commission:

- Determine that the proposed abandonment is consistent with the adopted MTP
