RE: NASA_FRDOC_0001-0545

On behalf of the County Board of Arlington, Virginia, I write to express our appreciation and support of the efforts by NASA to conduct a psychoacoustic test to obtain noise-related data associated with Advance Air Mobility (AAMM) and Urban Air Mobility (UAM) aircraft. We would like to request that the urban areas of Virginia, Maryland, and the District of Columbia, adjacent to the Ronald Reagan Washington National Airport (DCA), be included as a high ambient noise area in this study, as this area is likely to be an early adopter of AAMM/UAM aircraft, and also experiences high levels of aircraft noise from operations at DCA.

Sincerely,

A handwritten signature in blue ink that reads "Libby Garvey".

Libby Garvey
Chair
