

Utilization Review

U

Helping **YOU** identify the most appropriate service for the child and family and who can provide it.

T

Attending **Treatment Team Meetings**; paying close attention to child and family progress.

I

Receiving and reviewing **Incident Reports** to address safety concerns.

L

Reminding you to ask for a Care Coordinator and a **List** of in-network providers! You're not alone!

I

Reviewing **Invoices** to make sure the child is receiving the right service at the right time for the right price.

Z

Zooming in to problem solve and provide clinical support when services aren't benefiting the child as planned.

A

Supporting vendor **Accountability**. Helping make the vendor is doing what they said they will do.

T

Teaming with you in clinical conversations with families and treatment team members.

I

Receiving and reviewing **Insurance** approvals, denials and appeals.

O

Exploring service and vendor **options** when the child is nearing discharge.

N

Onboarding **new** vendors to expand the services available for children!
