Introduction to PRISM+ User Guides

What is PRISM+?

PRISM+ is Arlington County's online Oracle cloud-based financial management system. As a supplier, you will use PRISM+ to register in the system and view and respond to solicitations.

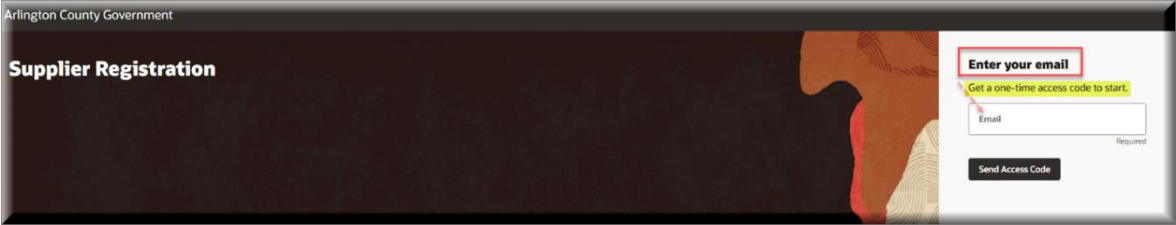

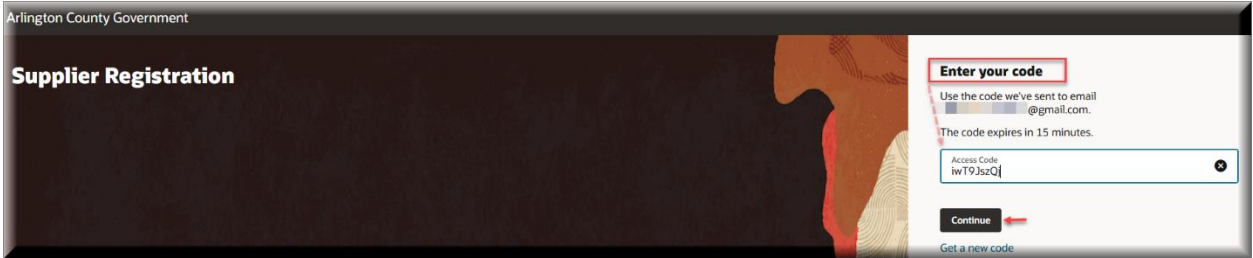

Intended Audience - Prospective Supplier

Audience: External suppliers who will register in PRISM+ in a Prospective status to respond to Arlington County's Negotiations (solicitations).

Purpose: This is a basic guide for external supplier registration. Potential suppliers using this registration portal will be submitted as " Prospective" suppliers. A prospective supplier can participate in negotiations, but cannot have any transactions, nor can you be awarded a contract. The specifics of required registration may change; therefore, this guide is a basic registration policy as it stands today (02/2025)

Prospective Supplier Registration Steps

Step	Action
1.	Click the Supplier Registration link.
2.	Enter Company email.  A screenshot of the Arlington County Government Supplier Registration page. The page has a dark header with the text "Arlington County Government" and "Supplier Registration". The main content area is dark with a large, stylized graphic of a person's head and shoulders. On the right side, there is a white box titled "Enter your email" with the instruction "Get a one-time access code to start." Below this is an "Email" input field with a "Required" label and a "Send Access Code" button.
3.	Enter the code received from the email entered in Step 2, then click Continue .  A screenshot of the Arlington County Government Supplier Registration page, showing the "Enter your code" step.
