**106.9 Notification.** The Arlington County Fire Prevention Office shall be immediately notified of all incidents involving fire, explosion(s), misfires, and/or spills, leaks, discharge, or other releases of materials or products as described in SFPC Chapter 50.

**106.9.1 Responsibility.** It shall be the responsibility of the Arlington County Fire Department officer-in-charge, or his/her designee, to file with the Fire Chief, in such form as he/she shall prescribe, a report of every fire, explosion, or incident to which fire department apparatus or equipment responds. Such reports shall be filed at such time and location prescribed by the Fire Chief.

**106.9.2 Summoning or dispatching the Fire Marshal.** The Arlington County Fire Department officer-in-charge of any fire, explosion, or incident scene shall immediately summons or cause to be dispatched a Fire Marshal to such scene to investigate the circumstances involved where such circumstances require investigation.

**106.9.3 Notification of fire department.** In any building, structure, or premises subject to inspection under any provision of this code, when a fire or evidence of having been a fire is discovered, even though it has apparently been extinguished, it shall be immediately reported to the Arlington County Emergency Communications Center. This shall be the duty of the owner, manager, or person in control (as defined herein) of such building, structure, or premises at the time of discovery. This requirement shall not be construed to forbid or otherwise restrict the owner, manager, or person in control of said building, structure, or premises from using all diligence necessary to extinguish such fire prior to the arrival of the Arlington County Fire Department.

**107.1 Prior Notification.** Substitute the word “shall” for “may.”

**107.2 Permits required.** Substitute the word “shall” for “may,” and “and” for “except.”

**Table 107.2 Fire Prevention Code Permit Requirement.** Delete and substitute the Table as follows. Fees for each of the categories listed therein shall be established pursuant to §8.1-13 herein.
