Wednesday, February 28, 2018**

**2100 Clarendon Blvd.
Lobby Rooms C&D (Cherry & Dogwood)
2:30 to 5:00 PM**

AGENDA

1. Welcome and Introductions. (5 minutes)
2. Member Roundtable: HCD area insights (20 Minutes)
At the end of our first meeting, you were given a map of one of the 12 HCD areas. Looking at this area in further detail, and building on the discussion from our first meeting, do you see any additional challenges, opportunities, or unique circumstances that should be considered when developing Tier 1 through 3 zoning incentives?
3. Economic analysis methodology (40 minutes)
4. Update on HCD zoning analysis (40 minutes)
5. Member Roundtable: Missing middle building forms (20 Minutes)
During our first meeting, we discussed several “missing middle” housing types, including triplexes and bungalow courts. Did any of these strike you as appropriate building forms to consider within the Housing Conservation District? Can you perhaps think of other building types that may be appropriate?
6. Upcoming meeting preview

The HCDAG is an advisory group convened by County staff for the purpose of assessing and refining proposed Housing Conservation District policies. HCDAG members serve in a voluntary capacity. Members of the public are invited to attend and observe the discussion between staff and HCDAG members.
