Get Ready for
SUMMER CAMP 2024!

Registration Feature
Our Summer Camp registration will include an online virtual waiting room to help manage the high volume of customers and to ensure it does not exceed the website’s ability to provide a responsive system experience.

On registration day, log in to the site as usual—all users logged in will automatically enter a virtual waiting room where they will receive a random spot in line. You will keep your place in the waiting room line even if your phone goes to sleep, you lose your internet connection or you close the virtual waiting room page, provided you log back in on the same device using the same browser. Once it’s your turn to register, you will be redirected to the registration site where you can browse the site and complete your transactions at your own speed!

Registration Dates & Times
Registration for Summer Camp will open to Arlington County Residents on a rolling basis, staggering enrollments by camp provider type. Registration on all days will be available both online and by phone (703.228.4747) and will begin at 12pm (Noon).

• Partner Camps
  Registration will open Wed., Feb. 14 at Noon. See page 8.

Any camp or class can be added, even if it is not currently available for registration. When you’re ready to register, you can do so directly from your Wishlist. Please note—adding camps to your Wishlist will not secure your place in a camp, you still need to add camps to your cart from your Wishlist once registration opens. Learn more on to use the Wishlist feature here.

Pay in Full Now or Pay 50%!
When registering you will have the option to pay for your camp fees in full OR to pay 50% at time of registration and the remaining 50% by May 1st.

After selecting each camp, you will be prompted to select how you would like to pay. Please note, only core camp fees may be paid at the 50% rate. Extended hour fees must be paid in full at time of registration.

Camps and programs that keep kids engaged, active and focused on expanding their horizons!

Summer was designed to give kids a break from school, help them try new experiences and grow mentally, physically and socially. Whether your child wants to refine a sports skill, get creative, be in a play, learn how to ride a bike, play classic and electronic games or explore the great outdoors, Arlington has something to offer.

Arlington County programs offer lots of choices, safe and inviting environments, and the chance for children to develop strong bonds with their community. Kids get their fill of thrills through sports; showcase their talents through the arts; reap the rewards of volunteerism; invigorate their imaginations through creative play; explore the outdoors through nature programs; and have adventures galore. All while making friends and lifelong memories. Summer is the perfect time to bring people together by nurturing a healthy development that helps young people grow up confident, caring and responsible.

MULTIPLE REGISTRATIONS!

Enroll multiple family members in multiple registrations all at once:

1:1 One member. One program.
1:X One member. Multiple programs.
X:1 Multiple members. One program.
X:X Multiple members. Multiple programs.

Our system does not limit you to registering only one family member in one program at a time. In a single “Add To Cart” process, you can register:

• One family member in one program
• One family member in multiple programs
• Multiple family members in one program
• Multiple family members in multiple programs

Important! Many programs are in high demand. While it is possible to register multiple participants in multiple programs in a single “Add To Cart” process, we recommend you limit the process to “One Program for Multiple Participants” or “Multiple Participants In A Single Program” in order minimize the amount of time it takes to place the program(s) in your Shopping Cart.

For more details and guidance on how to register multiples, please visit our website.
1. Camp Registration: Arlington Parks & Recreation will manage registration for all Partner and Parks & Rec Camps. This will allow for a seamless registration and refund process with each of our camp providers.

2. Camper Paperwork: All campers must complete camper paperwork online following registration utilizing ePACT. Online documents are updated annually. Campers may be denied admission to camp if paperwork is not on file with the camp provider prior to the start if the camp session.

3. Camp Attire: Children must wear appropriate clothing and shoes for the camp and its activities. Sandals are not allowed except on water days.

4. Lunches & Snacks: Campers should bring water and a snack with them to each camp. For campers attending full day camp programs, they must also bring lunch.

5. Camper Code of Conduct: Behavior resulting in extreme disruption or intentional harm to self, others or property can result in removal from the program according to the Code of Conduct Policy at the discretion of program staff. Camp counselors are trained to use supportive strategies and available resources to encourage positive participations as alternatives to removal.

6. Inclement Weather: To keep kids safe, summer programs will limit or cancel outdoor activities, or may even cancel programs, on “Code Red” days. Camper safety is the deciding factor. Call 703.228.4715 for updated information about our facilities.

7. Change in Locations: Locations are subject to change. This catalog contains the most up-to-date information at the time of publication. For updates, visit here or call us at 703.228.4747.

8. Low Enrollment or Program Cancellations: Camps and/or extended hours with insufficient enrollment are canceled. Registration staff will help direct families to comparable open programs.

Online Registration Tips & Tricks for Success!

Set up your account BEFORE February 5, 2024
If this is the first time you will be registering for a camp or class, or if you have forgotten your User ID and/or Password, go to registration.arlingtonva.us; under login, click on “Create Account” or “Forgot User ID/Password” for help and follow the instructions. If you require additional assistance creating an account or retrieving your Login ID and Password, contact the Registration Office at 703.228.4747.

Review your account before you register
Check the information we have about your account online to be sure we have your household listed correctly (email and phone) and all family members are listed. Verify birthdays of children, as age restrictions are enforced during online registration. Our camps are operated in compliance with state regulations. Children who are found to be under or over the age restrictions of a camp will be removed, unless approved for participation in advance by the program director. If you have forgotten your username or password, refer to the previous paragraph. For assistance contact the Registration Office at 703.228.4747, Monday to Friday, 8am-5pm or at registration@arlingtonva.us. Please note that only primary guardians will be able to add family members or request information on the account.

Prepare to register ON or after February 5, 2024
You will speed through the online registration process if you have the information you need at your fingertips when registering online.

- Know your username and password.
- Know the camps and camp codes you want to register for. Have second-choice options ready in case you are waitlisted for your first choice.
- After you log in, use the Summer Camp menu to search for camps and read any important summer camp updates. To register for a camp, click on the Shopping Cart icon to the left of the camp name on the Search screen. If the camp offers extended hours, you will be asked if you would like to register for them.
- Have your payment information handy. Arlington County accepts credit cards* (Visa, Master Card, Discover) or eChecks.
- If you have questions about the online registration process, contact us before February 5 at 703.228.4747 or registration@arlingtonva.us for the fastest service.

Waitlists
Arlington County camps are very popular. The sooner you register the more likely you will get the spot you want. Registrations will be processed to accommodate first and second choices. If an opening is not available, you can be placed on the wait list. Arlington County coordinators use waitlists to make decisions, and the County processes many cancellations throughout the summer; therefore, there is a good chance that you can obtain a spot if you are placed on a waitlist early. Please do not call registration to ask the likelihood to obtain a spot; waitlist enrollments depend on the number of enrollees that cancel their spot. You can check your place in the waitlist by logging into your account online (registration.arlingtonva.us) and selecting “My Account,” “Print Household Roster,” and Submit. Online registration confirmations can be printed using Adobe Acrobat 6.0 or higher.

Cancellations, Transfers & Refunds
Payment is not based on attendance; it is the responsibility of the guardian to cancel if the camper won’t attend. Please review our updated refund and cancellation policy before making any changes. All registration changes (transfers/cancellations/ refunds) are processed by the Administrative Services Registration Office (703.228.4747). Only non-camp community center staff. All changes are finalized only when a receipt is generated by our system. Once a change is made, please read and note your receipt number, since registrants will be held responsible for payment.

Age Exception
Exception requests to the ages listed in the catalog must be received by the Program Staff in writing no later than the Friday prior to the first day of registration. Verify the dates of birth of all registrants prior to registration. Do not enter an incorrect date of birth to bypass an age restriction. Participants who fall outside the age requirements for a camp will be asked for birth verification or will be removed without refund. Administrative fees may apply.
- Age exception requests may take up to 5 business days for a response.
- Approved age exceptions will not be eligible to register online.
- Age exceptions are required for any participant who falls outside of the age range for a specified week—birthdays during summer may impact eligibility.
- Age exceptions are reviewed on a case-by-case basis and are not always approved.
