#### **IV. 55+ Program Manager Report - Jennifer Collins.** See Part 1 of these minutes.

#### **VI. Advisory Committee Roundtable.**

**A. Lubber Run (Dee Bivens).** The Lubber Run Advisory Committee had a movie in February with 20 people attending.

We are planning a spring event called “A Taste of the Tropics” for April 11th with decorations, mocktails, fruit of the islands, music by a group playing Hawaiian music called “Ukulele Lele Hui” then a DJ will play music. We ask everyone to wear their best Hawaiian cloths because we will have prizes for the best ones. We invite everyone to come.

June will bring a crafts hour or so to decorate the wall in the Senior room. We’re calling in “Bare Foot & Beach” crafts.

**B. Aurora Hills (Marge Ginsburg).** Marge made the following report:

In February we had our Valentine Day Soiree with Vallerie Welsh playing romantic love songs.

Our very own, part-time director, Cory Coxs, will present three lectures for Black History Month: African-American Woman Inventors, Black Inventors in American History, and History of the Civil Rights Movement.

The Center hosted a Travel Gurus presentation on a trip to Iceland.

We made ornamental star ornaments out of spring-like fabrics.

Our St. Paddy’s Luncheon on March 14 was very successful. We had 60 participants. We had two contests and because it was Pi Day, the prizes were apple pies.

The Center is gearing up for our Trash and Treasure Sale on April 26.

**C. Walter Reed (Judy McVerry).** We held our first Games Friendly fundraiser on March 4<sup>th</sup>. Thirty-one people registered for the event and 24 showed up to play.

Games choices were Samba, Mahjong, Rummikub, and 5 Crowns. The winners from each game had a play-off game of Bunco to determine the overall winner. A Silent Auction was held during the event. Registration fee was \$10. We raised a total of \$609.

On Monday, March 17<sup>th</sup>, we held our annual St. Patrick's Day party. We had approximately 70 attendees who were treated to holiday-decorated donuts and cookies, and green punch. Entertainment included an Irish dance lesson by Aurora Hills line dance instructor Suzie Pratts, and music performed by the all-women's Irish band, Malarkey. We also had a game of Irish Bingo, with a loaf of Irish Soda Bread and Irish cookies for the winners.

We have a Nominating Committee in place and a tentative slate ready for a vote in June for the Chair, Vice-chair, Co-Secretary, and Treasurer positions.

**D. Langston Brown (Linda Sholl).** The Rocklands Fundraiser will be held on June 3, 2025. I will be sending out a call for advisory committee volunteers in about a month.

Langston-Brown Projects are in full swing. The projects for which we provide the materials so the class can be free have been doing well with most having wait lists. We did an Evergreen wreath Making, Jigsaw puzzle contest and swap, and making a paracord bracelet. The spring we still have 2 sessions of Pysanky Urkainian Easter Eggs and in the summer we are planning a woodcarving and beaded bracelet projects.

Our committee suggests a county-wide event to celebrate the 250<sup>th</sup> birthday of the USA next year.

**E. Arlington Mill (Robin Scott).** Arlington Mill has added a Make it Monday craft session on the 4<sup>th</sup> Monday of the month. Bring your own craft or use limited resources on hand.

Make-It Monday. Come work on your own craft projects or help create decorations for special events at Arlington Mill! Basic materials will be provided or bring your own. Donations of craft supplies are welcome. We're also seeking volunteers to assist with designing decorations. No formal instruction is offered or required, but this is a great opportunity to collaborate with fellow crafters. All skill levels are welcome! Meets on fourth Mondays. Open to all ages: no 55+ Pass required. No program 5/26.)

We are excited to be holding our first Supper Club on March 26<sup>th</sup>, sponsored by Advisory Committee and the Alliance for Arlington Senior Programs. Join us for a casual and fun dinner party with great company and conversation! Bring your own dinner, but drinks and dessert will be provided. It's the perfect way to get to know your neighbors and enjoy a relaxed, friendly evening together! The event is sponsored by the Arlington Mill 55+ Advisory Committee and the Alliance for Arlington Senior Programs. Register: #913899-03)

**F. Discussion and Next Steps.** In discussion, David suggested and others agreed that at the next meeting it would be productive to discuss “where the program should be” in 3 to 5 years. Are there things we are now doing that the 55+ community doesn’t especially participate in, enjoy, or benefit from? Are we now not doing things the 55+ community would enjoy, participate in, and benefit from? How can we better “market” the 55+ program to make it more widely known to the population of Arlingtonians 55 and older?

## **IX. Organization and Committee Reports.**

**A. Arlington Neighborhood Village (Wendy Zenker).** Wendy reported that ANV serves over 450 older adults, 45% of whom are low income, and has answered over 4400 service calls in the last year, many involving requests for transportation to medical appointments, etc. The Village needs and appreciates volunteer drivers.

**B. Commission on Aging,** William Way submitted the following report: The Commission on Aging held its 2025 Community Engagement Forum themed Safe at Home, at Macedonia Baptist Church on March 17, 2024. County Board members Mat de Ferranti and J.D. Spain attended with J.D. providing opening remarks. Forum speakers included Joanna Shin from True Ground Housing (building low income older adult rental units), Regine Gerard from Arlington County’s Child and Family Services (assistance to older adults caring for grandchildren), Capt. Robert Bowen, Community Risk Reduction Program Manager for the Arlington County Fire Department (free home safety visits), and Sydney Palinkas, Dementia Education & Outreach Coordinator, RAFT (dementia risk and care).

Helen King, Area Agency on Aging Director, noted that the Aging and Disability Resource Center (ADRC) continues to experience an increase of walk-in services,

adding the top three service categories,. Making up to 82% of the requests received are food security, emergency financial assistance, and in-home services.

Ms. King reported the Virginia Governors Conference on Aging is scheduled for May 19 to May 20 at the Williamsburg Lodge in Williamsburg, Virginia, and noting the Executive Committee decided to cancel the May COA meeting so commissioners can consider attending the conference.

Ms. King announced that the Northern Virginia Aging Network (NVAN) participated in Older Virginians Day in Richmond on February 5, with Erica Wood and Terry Lynch joining more than 200 older adults in Richmond to meet with House and Senate delegates, the governor, and the attorney general.

Commission Chair Way reported the Executive Committee meeting focused on the top goals for 2024 and priorities for 2025 from the Age Friendly Arlington Plan. The following was provided by each of the committee chairs:

Aging Equity and Engagement: the 2024 goals included advocating for LGBTQ+ older adult programs and activities and pursing partnerships with local organizations for the intergenerational connections through book clubs, podcasts, and murals. The committee plans to continue this work in 2025.

Health & Wellness: the 2024 goals are working to provide dental care resources to low-income adults and improving discharge coordination with Virginia Hospital Center. The committee plans to continue this work in 2025 along with identifying pathways to increase access to older adult mental health services.

Transportation: the 2024 goals focused on outreach to the Social 60+ Café patrons, and improving safety on sidewalks, especially near Social 60+ cafés and older adult residences. In 2025, the committee will expand outreach to the independent living residences for older adults and will advocate for frequent and reliable transportation for older adults through service on Arlington's Transportation Future Task Force.

Housing: the 2024 goals focused on inclusion of affordable units into planned housing projects and the finalization and use of the universal design checklist for residential developments to promote livability. The work will continue in 2025, along with the promotion of universal design in private residences by providing a guide to funding for home modifications.

Long Term Care: the 2024 goals included establishing community advisory councils to bridge long term care facilities and community and tracking and highlighting nursing home ownership and management information for better public understanding. They will continue this work in 2025.
