

Using the Registration System “Wishlist” Feature

What is the Wishlist?

The Wishlist is a holding spot for classes that interest you. Any class in the system can be added to your Wishlist **even if it is not currently available for registration**. When you are ready to register, you can do so directly from your Wishlist.

**You must log in to use the Wishlist.*

**Classes in the Wishlist remain in the Wishlist until you remove them, even if you log out.*

Adding Classes to the Wishlist

The screenshot shows a table of class sections. The first section is 'Waitlist' and the second is 'Available'. A red box highlights the vertical-dot menu for the 'Waitlist' section, with a '1' next to it. Another red box highlights the 'Add to Wishlist' button for the 'Available' section, with a '2' next to it.
