Written notices, demands and communications shall be sent in the same manner to other addresses that any Party designates in writing.

(b) Entire Agreement: Amendments. This Agreement constitutes the entire agreement among the Parties as to the EDI Grant and may not be amended or modified, except in writing signed by each of the Parties. This Agreement shall be binding upon and inure to the benefit

of the Parties and their respective successors and assigns. SineWave may not assign its rights and obligations under this Agreement without the prior written consent of the County Board and the IDA.

(c) Governing Law; Venue. This Agreement is made and is intended to be performed in Arlington County, Virginia, and shall be construed and enforced by the laws of the Commonwealth of Virginia. Jurisdiction and venue for any litigation arising out of or involving this Agreement shall lie in the Circuit Court of the County of Arlington or in the United States District Court for the Eastern District of Virginia, and such litigation shall not be brought in any other court.

(d) No Third-Party Beneficiaries. No provision of this Agreement shall be construed to confer any rights upon any person or entity who is not a Party, whether as a third-party beneficiary or otherwise.

(e) Relationship of Parties. The provisions of this Agreement are intended solely for the purpose of defining the relative rights of the Parties and do not create any partnership, joint venture or other joint enterprise among the Parties.

(f) Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the other provisions will remain in force, to the extent that they are not rendered impractical to perform, taking into consideration the purposes of this Agreement.

(g) Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and not for or against any Party by reason of the authorship or any other rule of construction that might otherwise apply. The Section headings are for purposes of convenience only and shall not be construed to limit or extend the meaning of this Agreement.

(h) Determinations; Disbursements.

(i) Any determination by the County Manager of fulfillment or non-fulfillment of the terms of this Agreement by SineWave shall be binding on the IDA. The IDA may request such determinations by the County Manager as necessary.

(ii) The IDA shall have no responsibility to disburse any funds to SineWave beyond the amount that the IDA has received from or on behalf of the County Board for the purpose.

(i) Non-Liability of Officials, Employees and Agents. No member, official, employee or agent of the County Board or the IDA shall be personally liable to SineWave in the event of any default or breach by the County Board or by the IDA or for any amount that may become due to the SineWave or its successors or assigns under the terms of this Agreement.

(j) Attorney's Fees. Each Party shall pay its own attorney's fees.

(k) Business Day Convention. If the date of any required action falls upon a weekend day or a holiday when the New York Stock Exchange is not open for business, the required action may be deferred to the next business day.

(l) Force Majeure. No Party will be held responsible for failing to fulfill an obligation under this Agreement if such failure is a result of a fire, riot, rebellion, natural disaster, war, act of terrorism or act of God that is beyond the control of the Party and that makes performance impossible or illegal.

(m) Confidentiality. Unless otherwise required by applicable law or regulation, the County Board and the IDA will use reasonable efforts to keep all reports and other information submitted by SineWave confidential and will not make such reports available publicly or as part of any Virginia Freedom of Information Act request, except that the County may include in periodic reporting to the County Board SineWave's reported information concerning jobs added, square feet leased, incentives that the County has paid to SineWave and composite tax and revenue data. If SineWave's confidential reports and information are otherwise required to be made public or disclosed, the County Board or the IDA will notify SineWave and will cooperate with SineWave to redact any information that is legally permitted to be redacted.

(n) Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be an original and all of which together shall be one and the same instrument.

(o) Dispute Resolution. In the event of any dispute, controversy or claim of any kind arising under this Agreement, upon the written request of either Party, each of the Parties will designate senior executive to meet with the other Party's designee in good faith and as necessary to attempt to resolve the dispute without formal proceedings. If the negotiated resolution of the dispute requires any Party to take, or cause to be taken or cease taking some action, the Party must do so within a reasonable period of time, not to exceed ninety (90) days. No Party may initiate formal proceedings for the resolution of a dispute until the earlier of (a) a good faith mutual conclusion by the executives that amicable resolution through continued negotiation of the matter does not appear likely or (b) the 90th day after the initial request to negotiate the dispute. After either condition has occurred, a Party may file an action in the jurisdiction and venue stipulated in Section 8(c) of this Agreement and may pursue any other remedy available at law or in equity. Nothing in this Section 8(o) will, however, prevent or delay a Party from instituting formal proceedings to (i) avoid the expiration of any applicable limitations period or (ii) seek injunctive relief.

[Signatures and acknowledgments appear on the following pages]

IN WITNESS WHEREOF, the County Board, the IDA and SineWave have each executed or caused to be executed, in duplicate, this Economic Development Incentive Grant Agreement, as of the day and year first written above.
