

Community Open House: Military Rd & Nelly Custis Dr Safety Improvements & Pilot Project

Join County transportation staff for a community open house to learn more about and share feedback on the Military Road Safety Improvements project and the pilot roundabout currently in operation at the intersection of Nelly Custis Drive and Military Road.

At this meeting you can:

- Learn about the two alternatives being considered for this intersection
- Review speed and yielding data collected before and after the pilot project was implemented
- Review past public engagement for this project
- Share your feedback on the pilot project
- Learn about the next steps for the upcoming safety improvement project at this intersection
