Welcome!

Agenda

- Neighborhood Complete Streets (NCS) Program Overview
- How projects are selected
- Proposed Projects
 - Arlington East Falls Church – N Van Buren St
N Tuckahoe St
 - Green Valley – Shirlington Road
 - Ballston - Virginia Square – 13th Street N
- Questions
- Next Steps

Neighborhood Complete Streets Program

2013-2014

Transition from Neighborhood Traffic Calming (NTC) to Neighborhood Complete Streets (NCS)

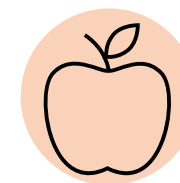

2017

First Applications

2018-2019

Pilot Projects

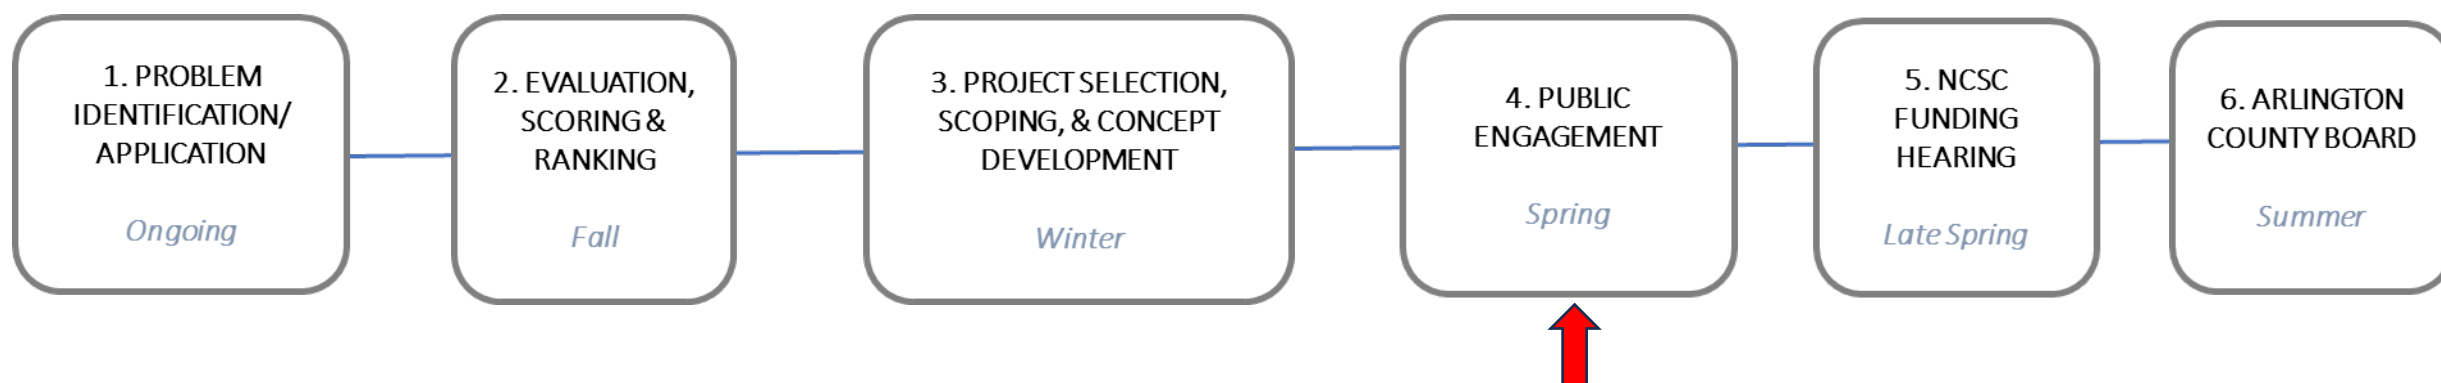

2020-2025

Capital Projects approved annually

The goal of the Neighborhood Complete Streets program is to address issues of safety and access on local streets, as overseen by the Neighborhood Complete Streets Commission

NCS Project Selection Process

- Locations are ***nominated*** by the public, ***scored and ranked*** on objective criteria, then ***selected*** by the Neighborhood Complete Streets Commission
- Projects follow the 6-Step Guide to Public Engagement, and are recommended for approval at a public **Funding Hearing of the NCSC**, then approved by the **Arlington County Board**
- The NCS program has funded **7 pilot and 11 capital projects** to make improvements on Arlington's neighborhood streets

Balancing Priorities on Neighborhood Streets

Street trees

On-street parking

Right of way availability

Utility poles

Project costs

Bicycle Infrastructure

Pedestrian Infrastructure

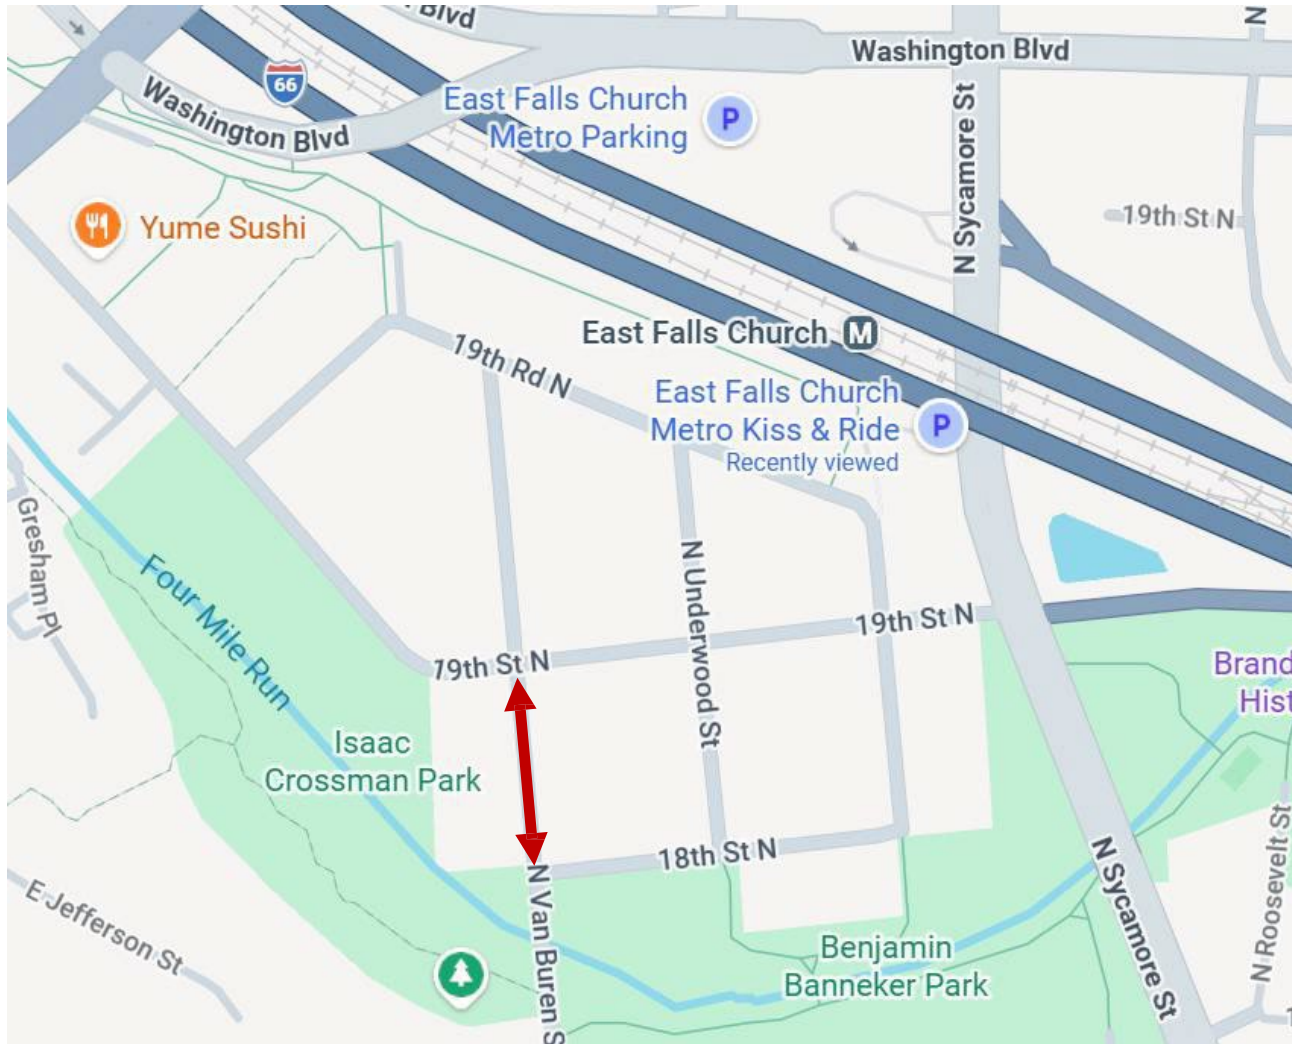

Emergency service clear width

County Owned Right of Way

N Van Buren St – 18th St N to 19th St N

Rank: #3 on list of NCS nominated streets

Neighborhood: Arlington – East Falls Church

Points: 51 for No complete sidewalk, crashes with injuries, vehicle volume, near Metro, parks, bike facilities

Issues: no sidewalk adjacent to ~5 properties, connects to Benjamin Banneker Park, high bike and vehicle traffic

N Van Buren St – 18th St N to 19th St N

N Van Buren Street at N 19th St, looking south

N Van Buren Street at N 18th St, looking north

N Van Buren St – 18th St N to 19th St N

LEGEND

PROPOSED CONCRETE SIDEWALK AND DRIVEWAY

PROPOSED TEMPORARY EASEMENT FOR GRADING

GREEN AREA/UTILITY STRIP

EXISTING UTILITY POLE

EXISTING TREE

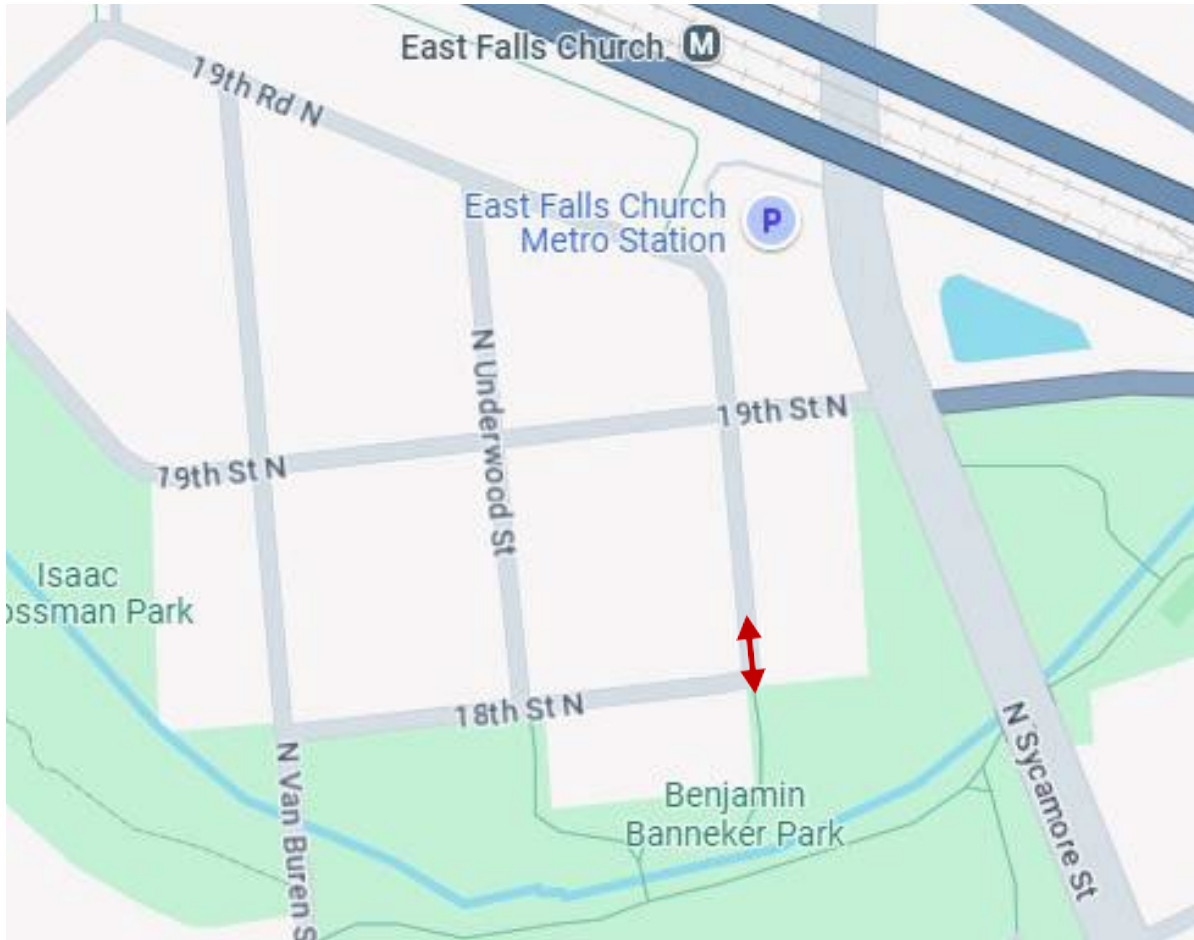

EXISTING LIGHT POLE

EXISTING TREE TO REMOVE

N Tuckahoe St – 18th St N to 19th St N

Rank: #4 (tied) on list of NCS nominated streets

Neighborhood: Arlington – East Falls Church

Points: 50 for no complete sidewalk, crashes with injuries, Metro, parks, bike facilities

Issues: no sidewalk adjacent to 2 properties, connects to Benjamin Banneker Park, utility pole, potential tree removal

N Tuckahoe St – 18th St N to 19th St N

N Tuckahoe St, looking north to the intersection with 18th St N & park entrance

N Tuckahoe & 18th St N

N Tuckahoe St – 18th St N to 19th St N

N Tuckahoe St – 18th St N to 19th St N

GREEN AREA/UTILITY STRIP

EXISTING UTILITY POLE

EXISTING TREE

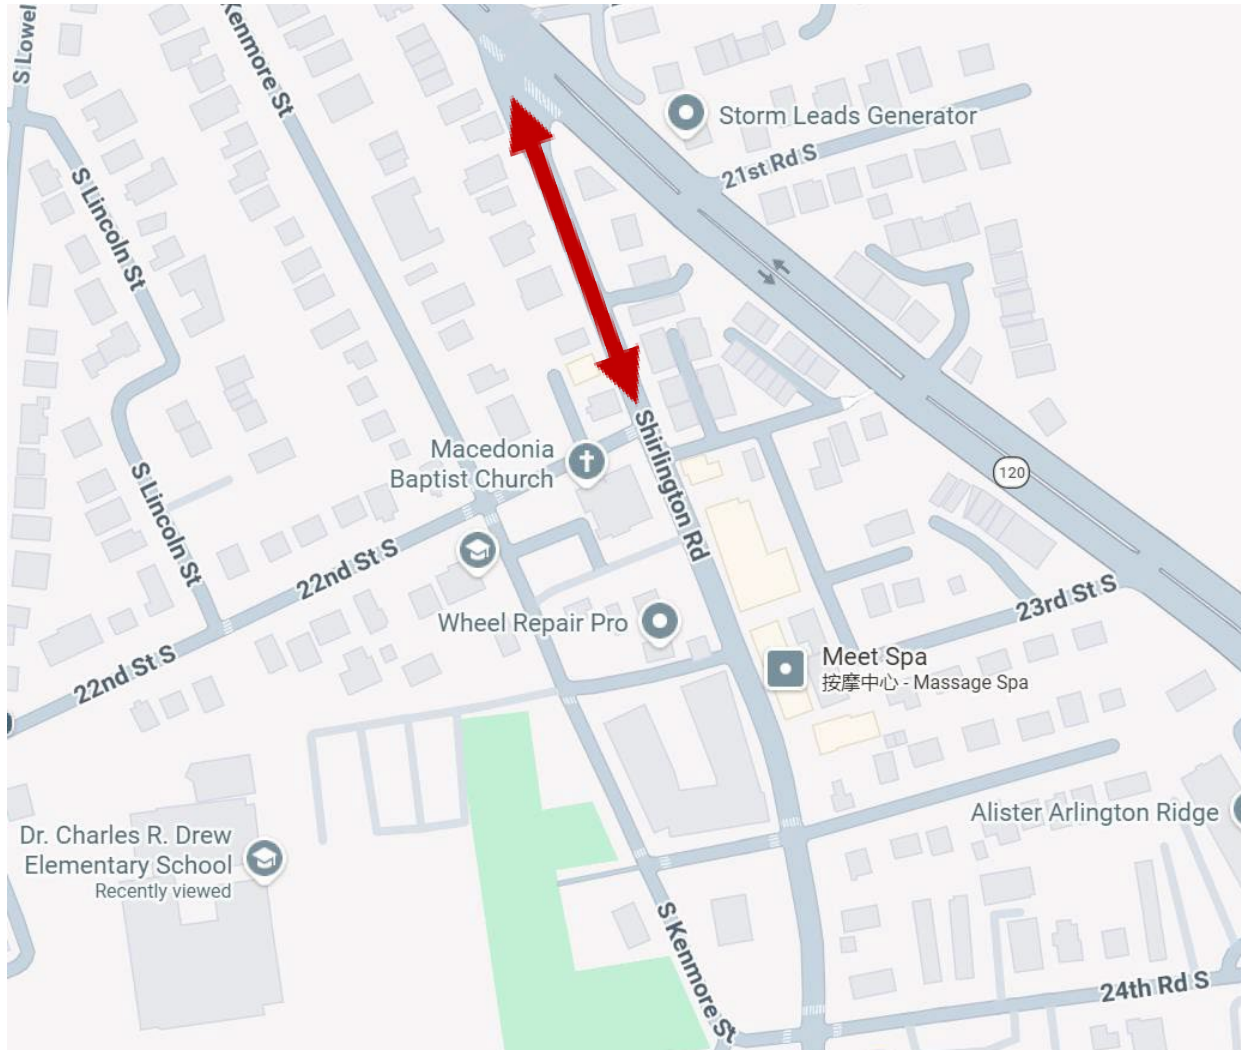

EXISTING LIGHT POLE

EXISTING TREE TO REMOVE

Shirlington Rd – 22nd St S to S Glebe Rd

Rank: #6 on list of NCS nominated streets

Neighborhood: Green Valley

Points: 47 for Narrow/obstructed, missing curb ramp, crash with injury, speed, volume, school, Equity Emphasis Area

Issues: obstructions from utility poles and hydrants, no ped crossing at 22nd St S

Shirlington Rd – 22nd St S to S Glebe Rd

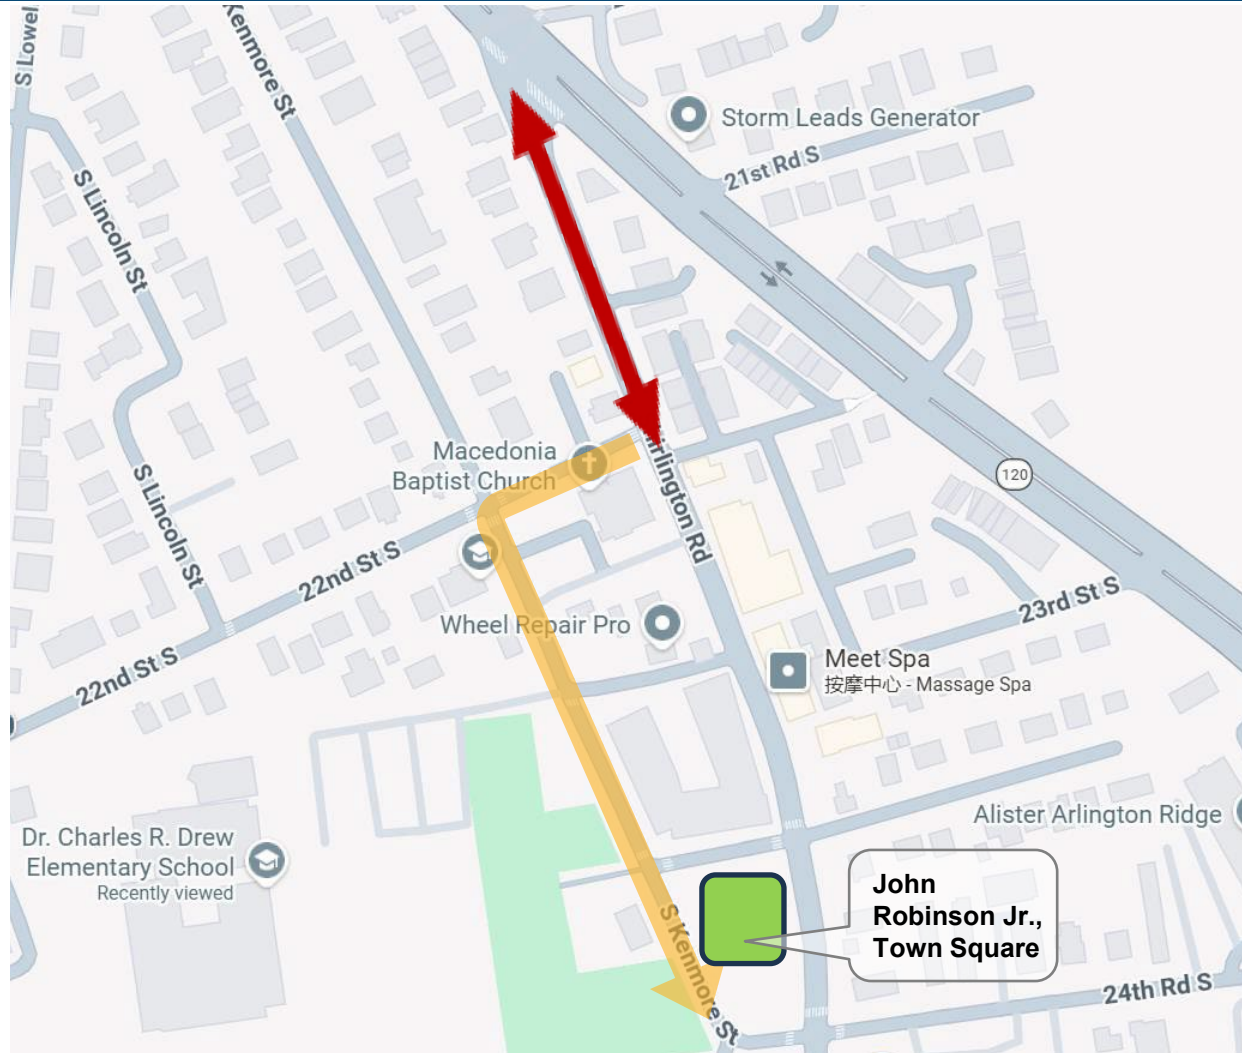

Shirlington Road, looking south from near Glebe Road

Shirlington Road, looking south toward 22nd Street

Shirlington Rd – 22nd St S to S Glebe Rd

Shirlington Rd – 22nd St S to S Glebe Rd

LEGEND

PROPOSED CONCRETE SIDEWALK/DRIVEWAY

EXISTING UTILITY POLE

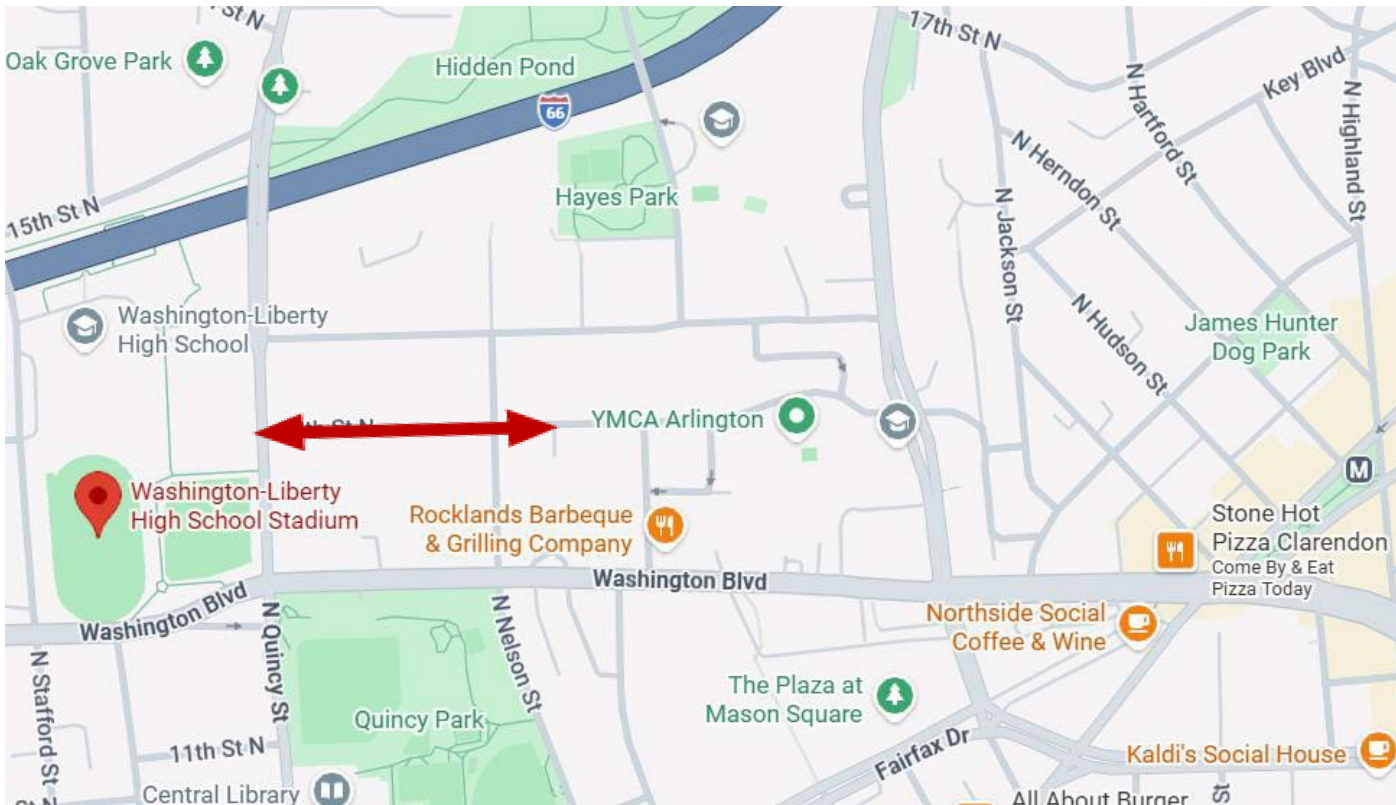

EXISTING FIRE HYDRANT

PARKING NOTES

ESTIMATE PARKING REDUCTION: 2 PARKING SPACES

13th Street N – N Quincy Street to N Lincoln Street

Rank: #4 (tied) on list of NCS nominated streets

Neighborhood: Ballston Virginia Square

Points: 50 for obstructions (streetlights on S, utility poles on N side of street), crashes, vehicle volume, schools, parks, library, transit, bike route

Issues: inconsistent right of way (missing easements), parking, YMCA redevelopment, colonial streetlights

13th Street N – N Quincy Street to N Lincoln Street

13th Street N midblock, looking west to N Quincy St

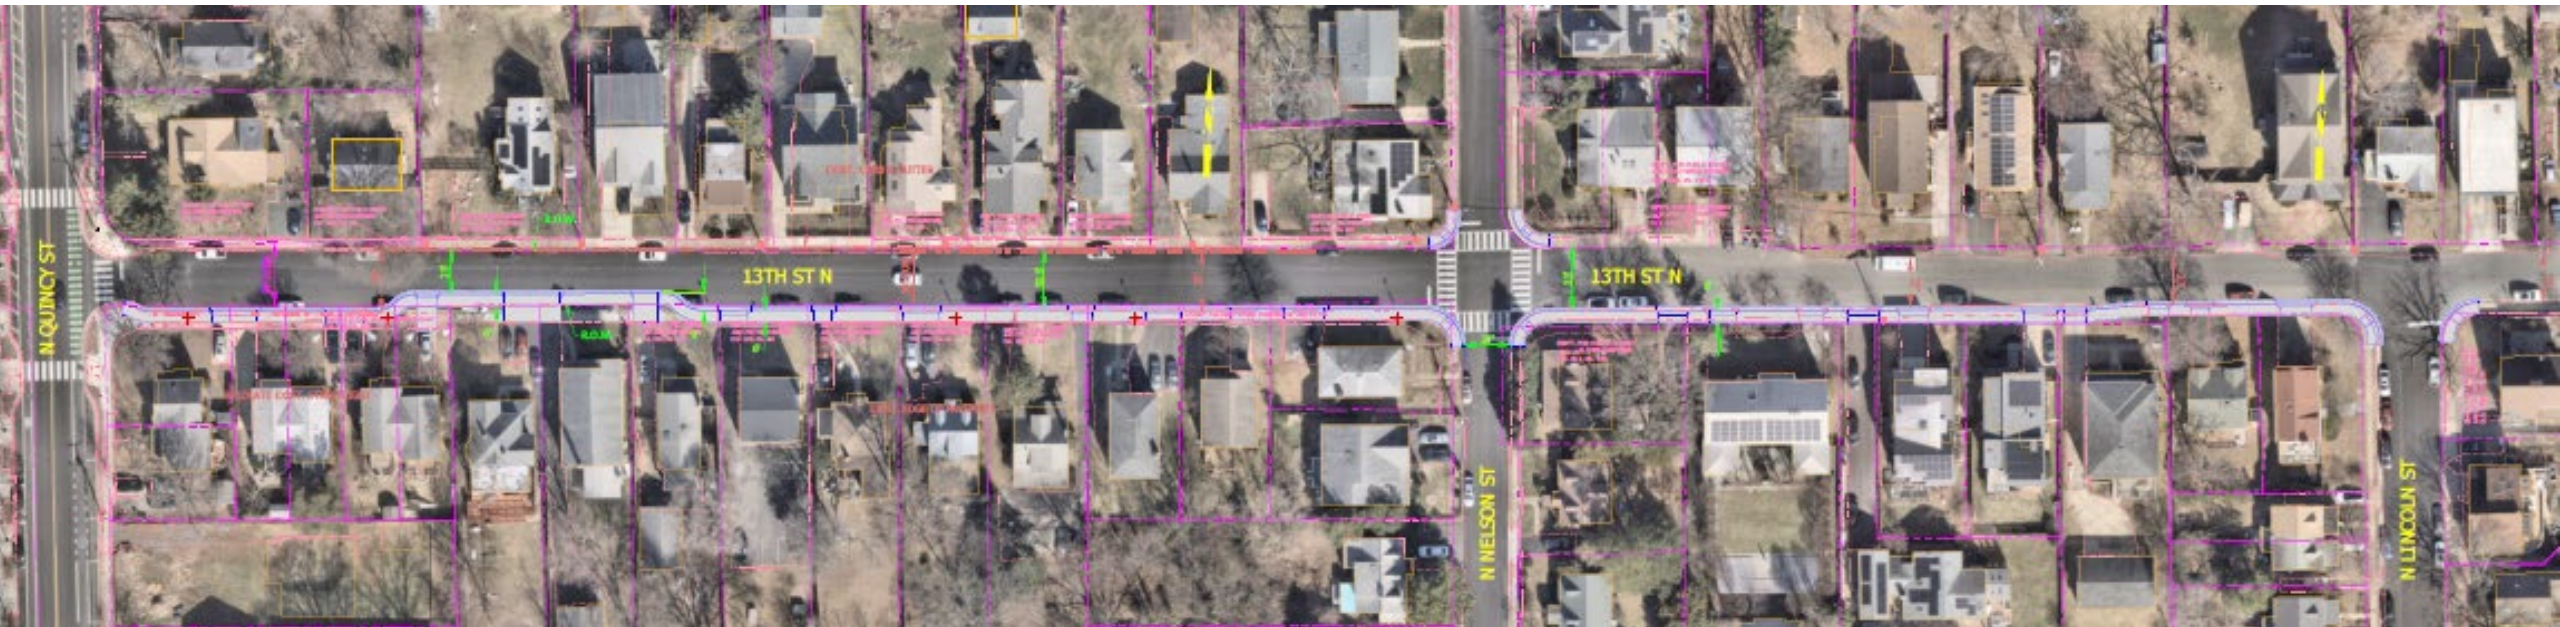

Colonial
Streetlight
