ARLINGTON VIRGINIA

Qualified Personnel (QP) Certification Form

The Construction General Permit (CGP) requires an operator / permit holder to have Stormwater Pollution Prevention Plan **(SWPPP) inspections conducted by Qualified Personnel (QP).** The QP must be able to identify proper implementation of the erosion and sediment control plan, stormwater management plan, and pollution prevention plan.

"Qualified Personnel" means a person knowledgeable in the principles and practices of erosion and sediment and stormwater management controls who possesses the skills to assess conditions at the construction site for the operator that could impact stormwater quality and quantity and to assess the effectiveness of any sediment and erosion control measures or stormwater management facilities selected to control the quality and quantity of stormwater discharges from the construction activity.

On or after July 1, 2025, "Qualified Personnel" shall hold or obtain one of the following five certification options:

1. ☐ Obtain a Qualified Personnel Certificate issued by DEQ, or
2. ☐ Obtain a Qualified Personnel Certificate issued by the Virginia Department of Transportation, or
3. ☐ Hold an unexpired Dual Inspector certification issued by DEQ, or
4. ☐ Hold an unexpired Inspector for Erosion and Sediment Control certification ☐ **AND** an unexpired Inspector for Stormwater Management certification, both issued by DEQ, or
5. ☐ Obtain an equivalent certification provided by EPA (currently titled Construction Inspection Training Course).
