

PUBLIC NOTICE

Notice of Willingness N. Dumbarton Street Culvert Replacement

The Arlington County Department of Environmental Services is accepting comments regarding the project to replace the culvert that carries Little Pimmit Run under N. Dumbarton St.

Information related to the project is available for review at the Arlington County Department of Environmental Services, 2100 Clarendon Boulevard, Suite 800, Arlington, VA 22201, (tel.703-228-4488). Please call ahead for staff availability. Information is also available online: Visit www.arlingtonva.us and search "Upstream Dumbarton Culvert".

Arlington County invites public comments related to the project. Comments must be received in writing at awinquist@arlingtonva.us or by mail at the address listed above (ATTN: Aileen Winquist) by October 24, 2025. Please reference "Dumbarton Culvert Replacement Project" in the subject line.

If your concerns cannot be satisfied, Arlington County is willing to hold a public hearing. You may request that a public hearing be held by sending a written request to Aileen Winquist at Arlington County Department of Environmental Services, 2100 Clarendon Boulevard, Suite 800, Arlington, VA 22201 on or prior to October 24, 2025. If upon receiving public comments it is deemed necessary to hold a public hearing, notice of date, time and place of hearing will be posted.

Arlington County ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or require special assistance for persons with disabilities or limited English proficiency, contact Arlington County Department of Human Rights at 703-228-3559.

In accordance with the National Environmental Policy Act (NEPA) and 23 CFR 771, an environmental document in the form of a Programmatic Categorical Exclusion (PCE) is currently being prepared under an agreement between the Federal Highway Administration and the Virginia Department of Transportation.

As required by the National Historic Preservation Act, Section 106, and 36 CFR Part 800, the potential effect of the proposed improvements on properties that are either listed or eligible for listing in the National Register of Historic Places will be included in the PCE. When approved, the PCE will be publicly available on the project website.
