

WHAT IS THE HUD ACTION PLAN?

The Annual Action Plan is a document required by the U.S. Department of Housing and Urban Development (HUD) that provides a summary of the actions, activities, and specific resources that will be used over the next year to address priority needs and specific goals identified in the Consolidated Plan.

Arlington County's fiscal year (FY) 2022-2026 Consolidated Plan identified housing and community development priorities. Funding that supports projects and programs that contribute to accomplishing the goals of the Consolidated Plan includes federal Community Development Block Grant (CDBG), federal Community Services Block Grant (CSBG), state CSBG Temporary Assistance for Needy Families (CSBG-TANF), federal HOME Investment Partnerships (HOME), and local Affordable Housing Investment Fund (AHIF).

This Citizen Summary provides a snapshot of Arlington's community development needs and describes strategies that the County will undertake over the next year to meet intended goals.
