Locating Your Stormwater Management Facilities Using Your Address

(Updated 8/16/2024)

Step 1: Go to AC Maps.

https://geocortex.arlingtonva.us/Html5Viewer/index.html?viewer=ACMaps.HTML5

Step 2: In the search bar in the top right corner (circled), type in your address and press enter. Results are shown on the left.

Click the arrow > next to your address.

Step 3: Click on the "Layers" tab at the bottom left of the screen.

Step 4: Check "Stormwater" using the scroll bar on the right.

	Layers 🗮 🗙	
	All Available Layers]
	Filter Layers 😵 Filter	
	+ Depints of Interest	
	+ Administrative Areas	
	+ 🗌 Cultural / Historic Resources	
	+ 🔽 Transportation	
	+ Engineering / Development	
	+ 🗹 Parcels / Addresses	
	+ 🗹 Parks / Natural Resources	
	+ 🗌 Zoning	
	+ 🗌 Refuse/Street Sweeping	
	+ 🗌 Elevation	
	+ 🗹 Stormwater

	- Base Maps	
	+ 🗆 🏭 GLUP 💴	
	+ 🗌 Aa Imagery	
		Y
Step 5: Expand the "Stormwater" items	by clicking the plus sign + and the	n uncheck "Stormwater Junctions."
-	Stormwater	
	Stormwater Junctions	>
	Stormwater Mains	>
	Stormwater Management/Detention Facilty	>

Step 6: Use the "Zoom In"

button in the tool bar or your mouse wheel to zoom closer to your lot.

The red triangles are your stormwater management facilities.

Step 7: Click the "Point" symbol

Point

in the tool bar, then click a facility.

All selected layers will display on the left side of the screen. Click the arrow > next to "Stormwater Management/Detention Facility" to display information on the facility.

The facility ID is next to the star.

	← Stormwater Management/Detentio ≡		
<	Storm Facility: 14-1649C		
	PLANTER BOX #2 (6" PONDING) RIGHT SIDE OF HOUSE Private		

Click the arrow > to display more information about the facility. Use the scroll bar on the right to see additional information.

The "Old Structure ID" at the bottom of this page is the facility ID that you need to complete each inspection form (and is the same as the facility ID next to the star).
