

Between February 15 and March 10, community members were invited to share their ideas of what they wanted to Keep, Toss and Create for the new Lubber Run Community Center. Here is what the community said regarding what to toss.

The New Lubber Run Community Center

Q4 What to TOSS (not include) in the new Lubber Run Community Center?

#	Responses	Date
1	Building set back far from street - move the new community center as close to George Mason as possible to preserve as large a green footprint South of the building for outside green space and use.	3/10/2017 5:12 PM
2	Administrative offices for County	3/10/2017 2:09 PM
3	I'm not sure what Lubber Run CC looks like so I really am unable to comment.	3/9/2017 5:47 PM
4	Services from other agencies should be included. We cannot continue to isolate Park buildings from School buildings from Health buildings. Community Facilities report recommended multi use so don't TOSS anything	3/9/2017 3:44 PM
5	Unknown	3/9/2017 11:10 AM

13	admin office and indoor rec can be combined	3/6/2017 11:54 AM
14	Administrative offices	3/3/2017 7:49 AM
15	Senior Center. I don't see seniors leaving Culpepper Garden and coming down to LR.	3/2/2017 10:51 PM
16	I don't know! It's always closed and seems totally useless to me!	3/2/2017 8:22 PM
17	Stairs were the Bain and death of the existing building. (great "bones")	3/2/2017 7:30 PM
18	n/a	3/2/2017 12:36 PM
19	Half of the parking lot, including the south entrance.	3/1/2017 2:34 PM
20	Current building, surface level parking	3/1/2017 2:24 PM
21	Old style playground.	3/1/2017 9:45 AM
22	More "improve" and modernize the classroom and meeting spaces, not "tosh."	2/27/2017 5:21 PM
23	Separate courts for volley ball and basketball - if outside court remains - please integrate utility into one space. Water runoff - put parking underground, integrate a green roof, install rain barrels. Old non-native trees and plantings - all new trees and plants should be native and retain water to reduce runoff into surrounding watershed.	2/27/2017 12:23 PM
24	Non handicap and stroller friendly building.	2/24/2017 10:56 AM
25	Parking lot. Lawn	2/23/2017 9:30 PM
26	No underground parking - see above comment on residential zoning. Given the small, confined, non-wooded space of the site relative to other recent Arlington rec centers in residential neighborhoods, notably Reed Center, the new LRCC lacks the land area to accommodate the myriad of proposed or suggested administrative, office, recreation, child care, after-school, senior services and other activities. As the project evolves, the numbers of activities at the new LCRR must be narrowed and balanced to match the confined land area of the site. If everything is a priority, nothing is a priority.	2/23/2017 6:24 PM
27	All	2/23/2017 2:57 PM
28	Apartments. None of these! No offices.	2/23/2017 1:42 PM

36	Nothing	2/22/2017 8:48 AM
37	The bad idea to consolidate parks and rec offices here at Libber Run. This is supposed to be a COMMUNITY center not an ADMIN center. Especially located so far from public transport and right On the edge of neighborhood streets	2/22/2017 7:51 AM
